**NOTICE OF MODIFICATIONS TO TEXT OF PROPOSED REGULATIONS**

Pursuant to the requirements of Government Code section 11346.8(c), and the California Code of Regulations, title 1, section 44, the California Gambling Control Commission ("Commission") is providing notice of changes made to the proposed regulations concerning the Emergency Preparedness and Evacuation Plans.

Formal 45-day public notice and comment period was held from April 9, 2004, through June 9, 2004. A public hearing was held on these regulations on June 9, 2004. Based on comments received and further review by Commission staff, the current regulations 12370 and 12371 were revised for form and substance. The two regulations were integrated into 12370, and a definition to clarify "licensee" was added to the Chapter definition section, 12360. The changes to the text are indicated by underline (additions) and strikethrough (deletions).

If you have any comments regarding the proposed changes, please submit them in writing between August 26, 2004, and September 10, 2004. All comments must be submitted to the Commission no later than 5 p.m. on Friday, September 10, 2004.
